

Wizard2011

Author Overview	
<div>Information<div>Close</div></div> <p>This is an overview for the author(s) of your tool. An author is a responsible person for the creation of your tool. If you create an author description it will be shown on the right side of the screen. If you want a described author to be part of the final tool description, just select it in at least one dropdown menu. Your tool description needs at least one selected author to be a valid tool description. If you want to create a new author description please use the "+" button at the right side of the screen. You can also edit or delete existing descriptions using the respective buttons.</p> <div>Authors: <div>Choose author</div> <div>+</div></div> <div><div>Authors <div>+</div></div><div>No authors defined yet!</div></div>
