

Wizard2011

Author	
<div>Information Close</div> <p>An author is a responsible person for the creation of your tool. To create a valid author description you have to type in at least her/his full name and e-mail adress. All other information is optional. On the right side of the screen you have an overview of existing authors. You can edit and delete existing authors and add new ones. Please note that if you use the "edit" or the "+" button your current author is not saved!</p>
